

GEORGIA'S 6TH ANNUAL CERVICAL CANCER

Awareness Day

January 19, 2023
11:30am-1:00pm

HPV Cancer Free GA and The Susan Jolley Awareness Program is holding our 6th annual "Cervical Cancer Awareness Day" at the Georgia Capitol. We encourage healthcare professionals and members of our community to join us as we continue to bring cervical cancer awareness into the spotlight. Speakers will include several legislators, medical experts and those who have been impacted by cervical cancer. CE credits will be available. If you prefer to participate remotely, a link to the live webinar will be provided upon registration.

Hybrid Event

11:30 am : Networking and Refreshments at the Capitol

12:00 pm - 1:00 pm: Live Event (1.0 CE credits included)

Georgia OBGyn
GEORGIA OBSTETRICAL AND GYNECOLOGICAL SOCIETY

Target Audience:

This educational activity is designed to meet the needs of practicing physicians, nurses, pharmacists and other healthcare providers in the fields of; family medicine, obstetrics and gynecology, oncology, otolaryngology, and pediatrics.

Educational Objectives:

- Identify ways to improve cervical cancer outcomes through screening and prevention
- Identify three evidence based strategies to increase HPV vaccination rates in their practices.
- Describe the role of pharmacists in increasing community access to the human papillomavirus (HPV) vaccine.
- Explain the physical and emotional toll that cervical cancer has on its victims and families.

Continuing Education:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Piedmont Healthcare and Cancer Pathways. Piedmont Healthcare is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Piedmont Healthcare designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Piedmont Healthcare is an approved provider of nursing continuing professional development by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Georgia Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Participants of the session who complete the evaluation and provide accurate NABP e-Profile information will have their credit for 1.0 contact hours (0.10 CEU) submitted to CPE Monitor as early as 14 days after the event and no later than 60 days after the event. Please know that if accurate e-Profile information is not provided within 60 days of the event, credit cannot be claimed after that time. The participant is accountable for verifying the accurate posting of CE credit to their CPE Monitor account within 60 days.

About Us:

The Georgia Comprehensive Cancer Control Consortium (GC3) HPV Cancer Free Work Group is a collective group of health-focused individuals throughout the state of Georgia focused on the prevention and alleviation of HPV-related burden across the state of Georgia.

The Susan Jolley Awareness Program brings awareness to the prevention and the impact of cervical cancer, HPV prevention and other gynecological cancers that affects women.
