

Neuropathy Workshop

A In-Person Workshop Presented by
Cancer Support Community Atlanta

Did you know it is possible for neuropathy to develop at any phase of the cancer journey, even long after the completion of treatment? Join us to learn about the causes of neuropathy and discover ways to decrease its symptoms. This workshop will also explore best practices in caring for your hands and feet.

Tuesday, October 18, 2022
1:00 - 3:00 p.m.

Register in advance for this program on our website at:

www.cscatlanta.org/calendar

After registering, you will receive a confirmation email containing information about joining the program.
